

BUCKINGHAM PALACE

13th December 2010

Dear Mr Moore,

The Princess Royal has asked me to write to thank you for the warm welcome to the Kinson Hub on Friday 10th December.

As Patron of the National Association of Citizens Advice Bureaux, Her Royal Highness was delighted to open the stunning new offices. It was an informative visit and a wonderful opportunity to meet everyone involved at the Centre. The Bureau is going from strength to strength and adapting to the ever-increasing demands. It is reassuring to know that you are already taking a lead from Nat King Cole with your awareness of "trouble ahead".

I have been asked to send you The Princess's best wishes for your continuing success.

Yours sincerely
Margaret Hammond

Lady in Waiting to
